Students may choose either option regardless of gender. Parents, please discuss this with your student and guide their decision.

Unlike years past, these are not school owned uniforms. You will own your own uniform. 9th and 10th grade students will be fitted to slightly oversized uniforms to accommodate growth. The intent is for the uniform to last through four years of high school. Dresses and dress slacks will need to be hemmed. That is the responsibility of the student. Uniforms can be purchased on PaySchool during the first two weeks of school. Be certain you are selecting the proper DHS Orchestra uniform. Any student not able to afford the uniform should contact Mr. Deloria and every effort will be made to accommodate you.
